

TSHWANE MUSLIM SCHOOL

- A LEGACY OF EXCELLENCE

Nestled in the heart of Laudium, Pretoria, the Tshwane Muslim School stands as a testament to the vision and dedication of a group of pioneering individuals. Established in 1990, our esteemed institution has flourished over 30 years, serving as a beacon of both Islamic and secular education.

A RICH HISTORY

- Birthed from the dedication of a committee in Ramadan 1989, our school came to life on 16th January 1990 with an initial batch of 150 eager learners and 14 passionate staff members.
- Our growth story is impressive! From 150 learners, we've grown to approximately 750 students today, guided by a team of 73 proficient teachers.
- We take pride in having graduated over 1400 matriculants, and we celebrate the accomplishment of more than 100 learners who've completed the hifz of the Quran.

STATE-OF-THE-ART FACILITIES:

- Designed by the award-winning architect, Mr. Aziz Tayob, our school expanded over the years, now boasting 40 classrooms, an administration block, comprehensive science and computer labs, a library, and advanced ICT-equipped classrooms.
- Our sports facilities are exceptional, with a sports stadium, viewing podium, netball/volleyball court, three Astro turf fields, two halls, an outdoor gym, obstacle course, and a Lapa.

The Tshwane Muslim School has, over the years, positioned itself as a forerunner in education in Pretoria. With profound gratitude to Allah, we recognize the immense success and growth bestowed upon us. May Allah continue to guide us and ensure that the legacy of this institution is both preserved and flourishes. Aameen.
